

16th March 2020

Dear Parent / Carer,

Following the updated advice from the government over the past week about delaying the spread of Coronavirus, I have taken the decision to replace Y12 parents' evening, which is due to take place on Tuesday 17th March 2020, with distance correspondence. I regret the short notice, but these are unprecedented times with an ever-changing set of recommended responses.

In lieu of the face-to-face parents' evening, staff will email you directly over the coming week with an update regarding your son's/daughter's progress. Please ensure we have an up to date email address: these can be added via the SIMS parent app, or by contacting admin@stokesleyschool.org

If you require further information following receipt of your emails, our subject staff will be more than happy to speak to you over the telephone.

Thank you for your continued support.

Yours faithfully

Hannah Millett
Headteacher
