

11th May 2020

Dear Parents/Carers,

Following the Prime Minister's address to the nation at 7pm last night, it is fair to say that many of us have more questions than answers. It does seem likely, as things stand, that students in years 7, 8 and 9 will continue learning from home until September. For students in years 10 and 12, the government hopes to sanction 'some' contact with teachers before the summer term ends. Please remember, our school remains open to vulnerable children and the children of key workers.

I will be meeting with the Executive Leadership Team of our multi-academy trust today to discuss this further, and watching closely as details emerge through parliament today that will hopefully add flesh on the bones of the Prime Minister's statements. I will endeavour to provide you with more information about how our school will respond in my usual parent/carer update at the end of the week.

I hope you are well during what is a very challenging time for many, both emotionally and financially.

Thank you for your continued support.

Mrs H. L. Millett
Headteacher
