Re: Year 6 Uniform Sizing - 8th, 9th, 10th July

Dear Parent / Carers

Our uniform suppliers, School-Shop, will be coming into Stokesley School from Wednesday 8th July through to Friday 10th July, between 8:30am and 5:00pm, to complete uniform sizing for Year 6 students who are making the transition up to Stokesley school in September.

To book a time slot you simply have to visit the School-Shop website, www.school-shop.co.uk and on the banner across the top of the home page select, book a sizing/shop appointment, as shown:

Stokesley School is one of the options on the bookings webpage. You need to select your chosen day / time and complete the information requested on the booking form.

We will provide more details about the logistics of how fittings will work nearer the time. However, it is essential that appointment times are adhered to. Working together with School-Shop we have planned that social distancing will be kept at all times, hand sanitising will take place before and after the fitting, sample garments will be steam cleaned before being reused and the changing cubicles will be cleaned between uses.

Of course we would all like to have done this differently. I can vividly remember my transition days as a Year 6: a significant social event that students, parents and school staff all looked forward to. Unfortunately, transition days will not happen this summer. However, be assured that we are working hard to ensure you are fully informed about your new school and everything we are planning for students returning in September.

Please continue to look out for school news on Facebook, in the transition section of our website and in our weekly updates via email. All of our letters home are published on our website too and these will give you a good insight into how we work here at Stokesley School and Sixth Form College.

Kind regards

James Burns
Assistant Headteacher - Engagement and Wellbeing
