

15th July 2021

Dear Parent / Carer,

Y10 Assessments Tuesday 20th and Wednesday 21st July 2021

Further to our previous correspondence, I am writing to you today to confirm that we will be going ahead with your son / daughter's outstanding Y10 assessments as per our original contingency plan.

Our students have worked exceptionally hard in their preparation for these assessments and have expressed that they want the opportunity and experience to test their hard work. For us, marking your son / daughter's papers allows us to complete question level analysis of each assessment providing your son / daughter's teachers with the knowledge they need to plan effectively for the next steps in teaching and learning. It also allows our Heads of Department and I to plan effective intervention groups where gaps in students knowledge needs to be consolidated.

Today, your son / daughter has been sent an individual timetable to their school account which details which assessments are still outstanding and when they are due to be taken. As the rest of the school will be learning virtually, we need to ascertain if your son / daughter is able to attend and if you need support with transport in order for them to do so. Please click this [link](#) to complete the google form, so that we can make the necessary arrangements in preparation for next Tuesday.

We are determined that our students do not miss out on opportunities to progress due to the rising number of cases nationally. Thank you in advance for your ongoing support and should you have any queries, please email me at j.darbyshire@stokesleyschool.org. If your son / daughter needs any support with their timetable, please email exams@stokesleyschool.org.

Yours faithfully

Mrs Jane Darbyshire
Deputy Headteacher
