

## Sixth form dress code

Our dress code reflects the expectations of wider society and has been produced in collaboration between students and staff.

Taking into account health and safety, it serves to prepare students for the reality of workplace expectations whilst also acknowledging that sixth form students are young adults wishing to express their personalities. The dress code is applicable to all students, regardless of their gender.

Students are expected to attend in clothes suitable to our professional working environment.

Some examples of items that don't meet the expectations are:

- short shorts and short skirts;
- full tracksuits;
- low cut tops;
- tops that don't meet the top of your trousers/skirt/shorts;
- items of clothing with slogans or images which could cause offence;
- visible facial piercings;
- unnatural hair colours;
- extreme hairstyles (if you're unsure, ask before you have it cut!).

Students are expected to wear clothing that meets the standards of our dress code. Falling short of these standards will result in students being politely and discreetly asked to go home to change.
