

Stokesley School and Sixth Form Alumni

Name:

Andy Jacott

Attended Stokesley School & Sixth Form from:

2005 - 2012

Went on to:

University of Cambridge to study Economics

Current role:

Associate Tax Director at Deloitte, based in Newcastle. As part of my role I have qualified as a Chartered Accountant and a Chartered Tax Advisor.

The best part of my job is:

Never being bored (perhaps surprisingly given the job title!) I'm fortunate that I get to work alongside a great bunch of people every day who keep me happy and engaged.

Advice to current Stokesley students:

Don't feel pressure to feel like you have to know what you want to do as a job at 16, 18 or even older, I didn't. Instead, I followed the subjects I found the most interesting and it was much easier to learn that way.
