

Stokesley School and Sixth Form Alumni

Name:

Evie Hornby (née Mallinson)

*Attended Stokesley School & Sixth Form from:
2005 - 2012*

Went on to:

Teesside University to study Forensic Science

Current role/s:

Research Scientist

The best part of my job is:

Developing bio-therapeutics (medicines) that are improving and/or saving peoples lives.

Advice to current Stokesley students:

Do your research into a variety of different jobs to see what interests you the most before committing to a university course. Also, look into Apprenticeships and know that work experience is key.
