

Stokesley School and Sixth Form Alumni

Name:

Nicholas Ivin

*Attended Stokesley School & Sixth Form from:
2005 - 2012*

Went on to:

University of Cambridge to study Medicine

Current role/s:

Clinical Research Fellow in Intensive Care at the Whittington Hospital and UCL, London.

The best part of my job is:

Hearing patients speak again after being sedated and ventilated for long periods and seeing patients leave Intensive Care after recovering from being critically unwell.

Advice to current Stokesley students:

Work hard!! You will benefit yourself now and for years to come. Identify where you want to get to and don't be afraid to ask for help to get there.
