

10th December 2021

Dear Parent / Carer

Physics Trip to CERN, Geneva, 4th - 7th July 2023

We are delighted to offer our prospective Year 12 Physics students the opportunity to visit Geneva in Switzerland, with the primary aim of a tour of the world's largest particle physics research laboratory at CERN.

This visit would complement their studies in Particle Physics at A-Level by seeing first-hand what the role of CERN is, what experiments are carried out there and how the research helps us gain insight into the origins of our Universe.

In addition to the trip to CERN, students would also have the chance to visit other museums such as the History of Science and the Natural History Museum in addition to time to explore the city of Geneva.

Draft itinerary (subject to alteration)

Day 1, Tuesday 4th July 2023

Depart Stokesley School by coach for northern airport
Depart airport to travel to Geneva by air
Arrive Geneva airport, travel to accommodation

Day 2, Wednesday 5th July 2023

Visit to History of Science Museum
Visit to Natural History Museum
Pre-booked (and paid) evening meal & game of bowling

Day 3, Thursday 6th July 2023

Tour of CERN and current exhibitions

Day 4, Friday 7th July 2023

Explore the city
Depart Geneva airport
Arrive UK airport
Arrive Stokesley School

The anticipated total cost for this trip is £587.

Your child must be confident that they are taking A-Level Physics as one of their subjects next year and must be on target to meet the entry requirements for the course (grade 6 or above in maths and physics / combined science).

This will be assessed from their recent mock examinations.

Payment schedule:

Initial deposit, due by	10/01/2022	£ 50
Second instalment, due by	11/2/2022	£100
Third installment, due by	08/4/2022	£150
Payment in full due by	01/4/2023	£287

Students will require a UK passport to travel. The accommodation is bed and breakfast and students will need to budget spending money for lunches and evening meals. We would suggest approximately £150-£200 spending money. The flights are hand luggage only.

Once a place on this trip has been confirmed the deposit becomes non-refundable and the balance becomes non-refundable on a sliding scale as dictated by the external tour organiser.

It is important that staff responsible for your child are fully aware of all medical details in order to carry out their responsibility. If there have been any changes in their medical information, please update school as soon as possible via admin@stokesleyschool.org.

Should your child wish to join us on this trip, please can you give permission via the [Google Form](#) and pay the initial deposit, which can be paid via ParentPay.

Yours sincerely

Mrs A Hope
Head of Physics
