

Stokesley School

Enrichment Day 1

This afternoon all students took part in their enrichment activities. With the limitless possibilities, the activities ranged from football to the hunger games, 3D gift box making to warhammer so there really was something for everyone! 96 students went out on a local walk around Stokesley and year 8s observed the flood defenses throughout the town. Other year 8 students opted to play football vs the year 7s in 3 tournament style matches to rack up the points. The same tournament style applied for rounders but with only 2 matches. Another way students decided to spend their time was through the art of language with French movies, Italian taster sessions and las vacaciones Españolas (Spanish holidays) all on offer.

The school production cast debuted their show 'We Will Rock You' with an audience of over 150 children while other students wanted to put their general knowledge to the test in the array of quizzes on offer. The Hunger Games was a popular choice with the first activity of archery saw Y10 student Sam win in a blaze of glory! Students could also embrace their artistic side with African Arts, mindfulness pebble painting, historical crafting and castle building whilst others wanted a sense of food so entered into the bake-off competition. Some students said it was a "10/10 experience"- Alfie and for castle building with the quote "Team castle building is the best" putting 2 activities up against each other for the best spot. Multiple students opted for war hammer and the tabletop games, which took place along the English corridor.

Overall the students had an exhilarating afternoon and there was something fun for everyone to get involved in!
