

21st October 2022

Dear Parents / Carers,

Your child is studying Computing as one of their options in Yr 10 and 11 and as part of the course they will need to complete two exams at the end of Yr 11. These will count as 100% of their final grade.

There is a revision guide for the course which covers the specification and allows students to revise and test themselves in readiness for the exam, which I advise you to purchase. This is at a cost of £5.70.

Payment can be made using the online system ParentPay. Please log into your account and select 'Items to Pay' and then select "Computing Revision Guides". You will be able to make payment via debit or credit card. Once payment has been received I will hand out the guide to your child in school.

In the meantime if you have any questions then please do not hesitate to contact me on s.metcalf@stokesleyschool.org

Yours faithfully,

Mrs S. Metcalfe
Head of Year 9 and Teacher of ICT/Computing
