

How You Can Help Your Son / Daughter with A Level English Language

1. Create a Timetable

- Students can do this for the week ahead or month ahead
- It should allow for breaks and social time
- Cover all the different areas in the English Language A Level Syllabus
- Check Revision Tasks have been completed and use rewards when tasks are completed

2. Read Together

- Read Newspaper Articles and discuss what is being represented in them and how?
- Read a variety of texts from different sources and discuss their features
- Look out for News Stories or Opinion Articles about how people use language - how would different Theorists react to the ideas?

3. Language in the Wider World

- Discuss the different factors that affect the way people talk
- Encourage reading beyond the Syllabus in the work of the Theorists
- Look at texts from a variety of different cultures and by people with a variety of different backgrounds
- Read widely around the History of Language, particularly how changing Historical factors influenced language change

4. Use Resources

- Use Google Classroom to ask Teachers questions and look at model answers
- Create Flashcards with Key points to remember
