

9th December 2022

Dear Parent / Carer

Year 10 Academic Report PRP 1

At this point in the year, we collate the data for each students' academic progress. We will be sharing this with them during tutor time alongside discussing any further actions which are required to improve progress.

The Academic Data Report includes the following information about your child:

- the minimum expected grade for each subject;
- PRP 1 grade for this year (Progress Review Point) for all subjects (which are being studied for certification);
- the ambition ladder score for each subject;
- attendance up until 8th December 2022;
- punctuality up until 8th December 2022.

To see your child's most up to date record for ambition and behaviour points, please log in to Class Charts. If you have not logged in since we emailed you with your password in September, or are not sure how to do so, please get in touch with us on admin@stokesleyschool.org and we will assist you.

If we have any specific concerns, we will be in contact with you to discuss these. However, should you require any further support please contact Mrs Bailey, Head of Year 10, j.bailey@stokesleyschool.org or your child's tutor in the first instance.

Yours faithfully

Mrs J Darbyshire
Deputy Headteacher
