

Science

How can you help your child in Science?

Tassomai (www.tassomai.com)

- Encourage completion of their “Daily Goal” *at least* 5 times a week

Science Revision Google Classroom

- All students have been invited to a google classroom called “Year 11 Science Revision 2021-22” Class code is “**ytehrif**” to join
- This is full of structured revision schedules, video clips, practice questions, etc... all designed to help students to work independently and use their time effectively
- As the year progresses, we will release many other resources to help students with their revision

Revision guides, workbook and timetable

- Encourage pupils to plan their revision topic by topic and stick to it
- Purchase from school on Parentpay (Higher or Foundation)
- Encourage pupils to highlight key points and then make brief notes on these and then make flash cards/mind maps.
- Consolidate this revision with the questions in the workbook (use pencil so they can be used again)

Teacher-led support sessions

- Applications of Science exam technique development - sessions during lesson time
- Key ideas revision sessions aimed at grade 4/5 and grades 7-9 - dates tbc
- HIIT revision sessions (30-minute high intensity revision sessions) - during lesson time

Videos

- There are lots in the Science Revision Google Classroom but you can also search youtube using a key word relating to the topic **and** the words **aqa** and **gcse**. There are lots of good, short videos which can help with explanations

Flash cards/mind maps

- These should be easy to read summaries of content taking no more than an hour to make a whole set of cards/mind map for a topic

Specification and specimen papers

- We study AQA **Biology (8461), Chemistry (8462) and Physics (8463) and Combined Science Trilogy (8464)**
- Copies of the specifications are included in our Science Revision Google Classroom

Kerboodle (www.kerboodle.com)

- This is an online resource which has lots of interactive activities and resources plus an online copy of all of the textbooks for Science GCSEs

Username (+ password on first login): school username for both e.g. 000123
