

6th September 2023

Dear Parent/Carer

### **Stepping into KS5 Parental Support Event**

On Tuesday 12th September we are hosting our annual event where we invite our Year 12 parents to come and join us to find out about the year ahead.

Year 12 is an incredibly important year for your child and for you. Settling into college presents new challenges. This event helps you to understand how best to support your child to settle into this new environment.

This year's event will run from 5:00-6:00pm. We politely request that you arrive for registration between 4:45-4:55pm to take your seats in the main hall for a prompt start. At registration you will receive a handout which you will refer to throughout the evening; you will also be able to take this away with you for reference.

The presentation itself will last no longer than 25 minutes and will give you all the information you need to support your child through this transition.

Following the presentation, in the LIFE hub, there will be the opportunity to speak to key members of the sixth form team to answer any individual queries you may have. This will include members of the senior leadership team and Mrs Jeal, Director of Sixth Form.

We sincerely hope that you will be able to join us for this evening and find it a valuable tool in assisting your child to be the best that they can be. The students are being given this information through LIFE lessons and through assembly, so they do not have to attend with you, but are welcome should you wish them to. Please complete this [Google Form](#) to ensure you have requested your place(s) by Monday 11th September.

Yours faithfully

Mrs Darbyshire  
Deputy Headteacher  
Achievement and Standards
