

19th September 2023

Dear Parent/Carer

Year 11 Parental Support Evening - Passport to Success

On Wednesday 27th September we are hosting our annual event where we invite our Year 11 parents/carers to come and join us to find out about the year ahead.

Year 11 is an incredibly important year for your child and for you. The examinations they will take this year will ultimately shape their future; success at this stage will open the doors to their chosen college courses here at Stokesley Sixth Form and onto higher education, thus allowing them to fulfil their ambitions and secure dream careers.

At Stokesley School and Sixth Form we want to give you the opportunity to join us for this bespoke event so you can find out about important dates, digest essential information about the coming year, as well as participate in a carousel of specific revision techniques to assist you and your child to smoothly transition through this challenging but exciting year.

This year's event will run from 5:00-6:30pm. We politely request that you arrive for registration between 4:30-4:55pm to take your seats in the main hall for a prompt start. At registration you will receive your group number and a handbook guide which you will refer to throughout the evening. You will also be able to take this away with you for reference.

The event will begin with an address from our Deputy Headteacher, Mrs Darbyshire and our Head of Year 11, Mrs Bailey. Following this, you will then accompany our Student Leader and Senior Prefect guides on a carousel of revision sessions specifically targeted to the following subjects: mathematics, science and English. In addition to this, there will also be a vital presentation on general revision techniques hosted by our Lead Practitioners, Mrs Fox and Miss Wright.

In addition to the carousel, there will also be the opportunity for you to gain assistance from help desks set up in the LIFE hub area. Assistant Headteacher, Dr Reed and Mrs Jeal, Director of Sixth Form will be on hand to discuss Sixth Form applications and entry requirements. Our SENCO and Assistant Headteacher Mrs McGreal will be available to discuss any general issues relating to special educational needs and student wellbeing. Head of Year, Mrs Bailey, and Headteacher, Mr Fenwick, will also be available to support with any general queries. Assistant Headteacher, Mr Burns will be available to discuss any attendance matters and the school shop will be open to purchase very cheaply priced stationery along with revision guides.

We sincerely hope that you will be able to join us for this evening and find it a valuable tool in assisting your child to be the best that they can be. Please note that due to high numbers we can only allow two parents/carers per child. This is an adult only event so we request your children do not accompany you on this occasion. The information we share with you at this event is being shared with students throughout a revision training day, assemblies and LIFE lessons.

As we anticipate that a number of you may be coming straight from work to join us, Mrs Wilson, our Catering Manager, will be putting on some light refreshments to purchase from 4:30-5:00pm. Additionally, the maths team will be selling revision guides and general revision packs of stationery are also available to purchase in cash during the evening.

Please ensure you have requested your place/s by Friday 22nd September via this [google form](#).

Yours faithfully

Mrs Darbyshire
Deputy Headteacher
Achievement and Standards
