

3rd October 2023

Dear Parent/Carer

Chromebook Portal

Attached is a flyer for our Chromebook portal that is now open to order a new device should your current one be out of warranty (i.e. older than 3 years), or you do not currently have a device. It is of course up to you if you wish to lease a new device that will be fully covered again for the next 3 years, but students may continue to use their original device if it is still in good working order. This flyer includes the website, username and password you require to complete your order, as well as information about the device, the insurance and the warranty cover included.

There are several financing options available to you up to a maximum of the time your child has left with us at Stokesley School. **The portal closes on 10th October so all orders must be made by then.** For Sixth Form students you must select Year 11 when making your purchase.

You may decide to source your own device rather than sign up for the leasing scheme, or indeed use a device already owned by yourselves, but if you do take this option we recommend you insure this device as we cannot take responsibility for any damage that may occur. We do have a small number of devices that can be loaned on a daily basis but these cannot be taken home.

If you would like to join the leasing scheme but are not financially in a position to be able to, please email finance@stk.aretelr.uk to see if we can provide any assistance with this.

If you have any further questions about the scheme please contact us using stokesley@aretelr.uk

Yours faithfully

Ms V Wright
Lead Practitioner for Teaching and Learning
