

23rd November 2023

Dear Parent / Carer

Year 13 Subject Parents' Evening and Parental Support Materials

Year 13 Subject Parents' Evening

We have received overwhelmingly positive feedback from you about our virtual parents' evenings over the last three years. 90% of our parents / carers who completed our feedback last year wanted this system to remain in place. To support these events we supplemented our opportunities for you to engage with us face to face as part of our [parental journey](#) and 'Stepping Up' events.

This event will take place on **Thursday 7th December 2023** between 3:30pm and 6:30pm. We very much hope that you will be able to join us, along with your child. You will meet subject teachers to discuss your child's progress, and find out how to further assist your child throughout this crucial year.

The school will be using the same system we normally use, allowing you to easily book your online appointments. You can choose your own appointment times with teachers and you will receive an email confirming your appointments.

If your child studies business studies via online lessons with Northallerton you will also be able to make appointments with those teachers for this event. You will receive these invites directly from Northallerton School, if you have any issues, please get in touch with us and we will assist you.

Appointments are now open and will close on Thursday 7th December 2023 at 3:30pm.

Please visit <https://stokesley.schoolcloud.co.uk> and login with the required information to book your appointments.

Additional support for set up of video calls can be found through the following link:

[How to attend appointments over video call - SchoolCloud Parents' Meetings](#)

We fully appreciate that some of our parents / carers may wish to receive support in accessing your appointments and may struggle with access to an internet connection. To support you with this, we can offer you assistance in school. You will still attend your appointment virtually, but you may do so by using one of the school computers with the assistance of our IT team. If you would like to access this support, please email admin@stk.aretelr.uk directly and a member of the team will contact you.

In order to make the consultation as effective as possible, please ensure your child attends each meeting with you, bringing along a pen or electronic device to record any action points given. Most appointments will last nine minutes, however, in order to enable Dr Reed (Psychology) and Mr Alcock (Maths) to meet with all parents, their appointments will be five minutes. The video call will automatically end at this point, this allows appointments not to run over for the next parent / carer who will be waiting.

Should you require any further support with bookings, please contact admin@stk.aretelms.uk. If you have any queries regarding support for your child, please contact our Assistant Headteacher for Curriculum, Dr Reed, on creed@stk.aretelms.uk, Director of Sixth Form, Mrs Jeal, on jjeal@stk.aretelms.uk or myself on jdarbyshire@stk.aretelms.uk.

Yours faithfully

Mrs Jane Darbyshire
Deputy Headteacher
Achievement and Standards
