

# Careers Support

[mstirling@stk.arete.uk](mailto:mstirling@stk.arete.uk)

Careers at Stokesley are offering additional Yr 11 career support meetings to our students following mock results.

The meetings provide support for students with next step pathways for those students who have not already applied for Colleges - Apprenticeships. The meetings are tailored to meet each student's needs and designed to ensure that applications to colleges/ apprenticeships are followed up on. Careers can provide advice on applications, CV, interview preparation, liaising with colleges, arranging college visits. Including all other career related requests.

Stokesley School students use the UNIFROG platform for support, resources and information. The platform is used by all KS students including Sixth form for UCAS application - Personal statement support, and work experience placement. As a parent /carer you can have your own account and access to the same resources, information and support. Please use the link below to set up your own account.

If you would like Yr 11 child to have a career meeting then please contact me directly [mstirling@stk.arete.uk](mailto:mstirling@stk.arete.uk) or communicate with tutor/ HOY.
