

9th September 2024

Dear Parent/Carer

Stepping into KS4 Support Evening - Part one of the KS4 journey

On Wednesday 18th September we are hosting our annual event where we invite our Year 10 parents/carers to come and join us to find out about the year ahead and how this may differ from years 7-9.

Year 10 is an incredibly important year for your child and for you. The way students settle into Year 10 ultimately shapes how easy their journey into Year 11 will be; success at this early stage will assist them to prepare fully for the challenges of the next two years and beyond.

At Stokesley School and Sixth Form we want to give you the opportunity to join us for this bespoke opportunity so you can find out about important dates, digest essential information about the coming year, as well as speak to staff about any queries or concerns you may have.

This year's event will run from 5.00 - 6.00pm. We politely request that you arrive for registration between 4.45 - 4.55pm to take your seats in the main hall for a prompt start.

The event will include a presentation, which will include key information about your child's achievement data, formal and informal assessments. This will be followed by our Pastoral Head of Year 10, Miss Mesley, who will give advice on supporting your child to maintain positive attendance, student well being and behaviour for learning records.

There will be an opportunity at the end of the presentation for parents to ask questions individually of staff present.

We sincerely hope that you will be able to join us for this evening and find it a valuable tool in assisting your child to be the best that they can be.

Please note that due to high numbers we can only allow two parents/carers per child. The students are being given this information through LIFE lessons and through assembly, so they do not have to attend with you, but are welcome should you wish them to.

Please ensure you have requested your place/s by Monday 16th September via this [Google form](#).

Yours faithfully

Mrs Bailey
Director of Key Stage 4
