

4th November 2024

Dear Parent / Carer

It's Children in Need on Friday 15th November and with just two weeks to go, we thought it was time for a plea - from us to you - for some Star Bakers for our cake sales on the day!

You know as well as us that there are few better ways to a teen or pre-teens heart than food! One of the ways, then, that we hope to raise money for Children in Need is by having three cake sales across the site during break time: one in the LIFE Hub, one under the atrium and one in the sixth form block. Cakes will be 50p each, or 3 for £1, so that students can buy them for their friends if that's what they'd like to do.

To have cake sales, you won't be surprised to hear that we need cakes! Lots of our student leaders have already put their names down to bake, but as we would like for the donation we make at the end of the day to be from our whole school community, we would like to extend the offer to you at home and to the wider student body! Would you, or your son/daughter like to bake for us? We know there will be some fantastic recipes out there that our students would love to taste!

If you are able (and willing!) to bake for our cake sale, cakes can be dropped off on the morning of 15th November at reception or in the LIFE Hub, and then tins/tuppawares will be available for collection from the same place at the end of the day. Please make sure your container is labelled clearly!

In order to ensure the safety of all our students and staff, please can we insist on the following:

- cakes are nut free and don't use anything that may contain nuts
- an ingredient list is provided with the cakes (just a scrap of paper is fine)

If you have a child who has allergies and who would like purchase cakes on the day, please encourage them to come to the cake sale in the LIFE Hub where we will have staff as well as students working on the cake sale and where we will have a range of 'free-from' cakes in sealed containers to sell.

If they would like to avoid buying cakes, there will also be Children in Need merchandise on sale at this particular location.

For a link to the previous letter sent out about Children in Need and the other activities happening on the day, click here [Children in Need 2024.docx.pdf](#) .

Many thanks for your support with our community effort to raise funds for Children in Need. Events such as this wouldn't be possible without your support.

As ever, please do be in touch if we can be of help in any way.

Kind regards

Mrs L. Fox

Assistant Headteacher, Personal Development
