

11th November 2024

Dear Parents/Carers

You may recall that last year we wrote to you about signing up with our multi-award-winning online training provider, The National College. We would like to remind you that in order to continue benefiting from the fantastic resources available, you must log on at least once a year.

For the benefit of our new Y7 parents/carers, and for those who have not yet signed up, please see below for further information and instructions on how to register.

We hope you'll sign-up and continue to make the most of their resources and by registering and completing a course you will assist Stokesley School in becoming an accredited school for the second year running. **For those parents/carers who have signed up before the end of November, we will enter all registered names into a prize draw to win a £10 Amazon voucher.**

What does this mean for you?

As part of our membership, The National College provides dedicated training and resources for parents and carers – particularly, around online safety and keeping children safe online.

Online safety advice on any topic

Of course, staff will continue to teach children about the risks online. But with the internet so readily accessible, the most effective approach to online safety needs everyone involved, including parents and carers.

That's why you've now got access to **hundreds of courses, explainer videos and online safety guides** to support your awareness of the online world. Topics range from understanding apps like TikTok and Instagram to recognising the signs of online harm and what you can do to help.

Sign up is easy

Signing up to the platform is simple. Just [click here](#) and complete your details. Once you're set up, you'll be able to choose 'Parent/Carer' as your user type and get instant access to all training and resources.

Download the app for free

Another fantastic benefit of The National College is its National Online Safety app, which you can download for free. It gives you access to all their parent and carer resources on the go, whenever you want.

You can download the National Online Safety app using the links below:

- [App store](#)
- [Google Play](#)

They're always here to help

The National College has a brilliant support team if you have any questions. Their [help centre](#) provides a comprehensive bank of answers to most FAQs, but if you still can't find the answer you're looking for, you can always get in [contact](#) with them.

Yours faithfully

Jean Marie Myers
Designated Safeguarding Lead
